

This Album is Not For Sale

This album contains the recollections of men who in their youth risked their lives in furtherance of our national interests. These memoirs are sacred to them -- especially those events alluding to activities in which comrades lost their lives on the battlefields of Europe.

This album was prepared for perpetual residence in the archives of the Camp Blanding Museum complex, operated by the Camp Blanding Museum and Historical Associates, Inc. Starke, Florida. We are grateful for the support and assistance of the Camp Blanding Museum and Historical Associates, and for their kindness in having the museum make our album available to historians, students, researchers and others interested in our background and brief history.

No reproduction or distribution restrictions are imposed or implied for the album or pages thereof – providing such actions are not undertaken for profit.

Copies of the album have been presented to the Hq1 veterans or their survivors that contributed information for the effort. To facilitate reproducing copies of individual memoirs for relatives or friends, the memoirs have been developed as separate entities.
